SUMMERTIME!

MONDAY

LITTLE CHEF & SALT DOUGH

Flour, salt and water ...
splash, splash, splash, 1, 2, 3 and voilà!

Ready to create, model and
sculpt my favorite dish :
cherries, stawberry pies ... croissant ... pizza

Now, let's drop it into the Chef's big oven ...
and paint it all !

TUESDAY

ENCHANTED HUTS

Let's walk in the woods ...
while the wolf is away ...
I screw my hat on my head, and let's go my dear !

In the woods of Eugénie, we gather everything we need
to build a palace from leaves and branches.
Now, I am an architect !

WEDNESDAY

LAND ART

Watch out Andy Goldsworthy !
These nice little stones ... tac tac tac ...
and here is a labyrinth for ants !
These beautiful barks ... some glue ...
here is a natural Mondrian
These wild flowers ... some thread, a needle ...
here is a multicolor garland.
Clic clac !
more pictures for my vacation album !

THURSDAY

GARDEN PASTRY

Who are rosemary cookies
and rose petal shortbread for?
First, kneading the perfect dough...
Then it's off to the kitchen to bake,
then it's off to decorate!
a princess of flowers to crunch,
and I'm keeping her all to myself!

FRIDAY

MY LOVELY HERBARIUM

What a paradise these gardens of Eugénie!
Every 2 meters, there is a pretty flower, a fancy leaf, an
odd branch ...

We put all that under press,
focus ourselves to past my bounty
in a big notebook.

Still a little bit of concentration...
and here are the captions.
A gift for Mom ... she will love it

SATURDAY

YOGA & MANDALAS

Let's practice the whole zoo in yoga mode:
eagle, crane, cobra ...
Everyone takes their mat and wiggles, lifts their leg,
looks at the tip of their tail...
Back at the kids club, a quiet break
with a beautiful mandala that I'm going to cut out, glitter
and feather to my heart's content.
I'll put it above my bed when school starts,
so it can catch all my sweet dreams.
