Ready to create, model and

Now, let's drop it into the Chef's big oven ...  
and paint it all !

## TUESDAY

### HIKING AROUND EUGENIE

Let's walk in the woods ...  
while the wolf is away ...  
I screw my hat on my head, and let's go my dear !

I took a big basket with me to collect the treasures of  
nature. We will need it tomorrow for the "Land Art"  
session.

## WEDNESDAY

### LAND ART

Watch out Andy Goldsworthy !  
These nice little stones ... tac tac tac ...  
and here is a labyrinth for ants !  
These beautiful barks ... some glue ...  
here is a natural Mondrian  
These wild flowers ... some thread, a needle ...  
here is a multicolor garland.  
Clic clac !

## THURSDAY

### OLYMPICS DAY

Send me the ball ! I got it ! I got it !  
This morning, I decided to team up with Victoire...  
she's so good at sack race !  
I am the master of water pistol shooting...  
Have you ever played croquet?  
At the end of the day ... medal ceremony ...  
of chocolate of course !

## FRIDAY

### MY LOVELY HERBARIUM

What a paradise these gardens of Eugénie!  
Every 2 meters, there is a pretty flower, a fancy leaf, an  
odd branch ...

We put all that under press,  
focus ourselves to past my bounty  
in a big notebook.

Still a little bit of concentration...  
and here are the captions.  
A gift for Mom ... she will love it

## SATURDAY

### TREASURE HUNT

The animator has hidden a huge basket of candy  
somewhere in the park.

Let's go for the treasure hunt!

She's nice, the animator: she drops some clues.  
When we get hot, she gives us her big astonished eyes...  
but I know that I'll find it soon!
