Romantic Heaven for the senses
in this countryside Palace

SUMMARY

This romantic countryside palace is a haven for the senses and pure therapy for the mind and body.

Enchanted gardens, aristocratic dwellings, symphonic cuisine. A love story, a little duret with vegetable and herb gardens, ancient roses and a dreamlike Spa, the Ferme Thermale.

In the kitchen, Michel Guérard creates celestial marvels; everywhere else, Christine's poetic touch.

Les Prés d'Eugénie, Guérard's family domain, offers four hotels, three restaurants and a spa, set in a beautiful landscaped 40-acre park.

28 ROOMS | 17 SUITES

Four «lodgings», nestled among rose and water gardens, shelter 45 rooms (26-50 m²), suites (45-80 m²) and appartments (120-145 m²).

The «Main House» is built in a colonial style. In its walls is located the Michelin 3-star Restaurant.

Rooms and suites are furnished with antiques and period paintings.

The Couvent des Herbes and Logis des Grives houses are 18th-century romantic retreats.

The Imperatrice wing shelters Imperial and Royal suites.

All the rooms and appartments overlook gardens and orchards. Many of them have a large balcony or a terrace.

DINING

Three Restaurants, one Café and 4 Cuisines are served to our guests.

Michel Guérard's Gourmet Restaurant boasts 3 Michelin stars since 1977. The Chef spread the great French Tradition, combining History, Nature and the thrilling adventure of culinary creation.

The Cuisine Minceur - the most pleasant way to loose weight - is served in L'Orangerie, with Michel Guérard's 'Grands Classiques'.

On Eugénie's rustic side, L'Auberge de la Ferme aux Grives is a stone-walled barn and serves delicious country dishes, like milk-fed veal and plump chicken, roasting over an open-hearth fireplace.

Mère Poule Café is a wonderful setting, offering gourmets a real treat with rustic snacks and home-made cakes.
